I understand if Reiki is used that Reiki is a Chinese form of relaxation. A simple, gentle, energy technique that is used for alleviating stress, pain management, stress reduction and deep relaxation. I understand that Reiki practitioners do not diagnose conditions, nor do they prescribe or perform medical treatment, prescribe substances, nor interfere with the treatment of a licensed medical professional. It is recommended that I see a licensed physician or licensed health care professional for any physical or psychological ailment I may have. I understand that Reiki can complement any medical or psychological care I may be receiving. I also understand that the body has the ability to heal itself and to do so, complete relaxation is often beneficial. I acknowledge that long term imbalances in the body sometimes require multiple sessions to facilitate the level of relaxation needed by the body to heal itself. I understand that the practitioner will be remotely sending energy to me for the duration of my Reiki session (s).
